AMUSEMENTS.

AT THE AIRDOME.
"Patsy's Visit" at the Airdome this week is a short skit with a lot of specialties, most of them entertaining. Judging from the applause of those at the Airdome Tuesday evening, they liked it immensely. There are over a dozen musical numbers in the piece and

the entire strength of the Airdome company is required for the production. The opening number in the second act—an Indian song with appropriate settings of tepees around a campfire, with the chorus costumed in Indian garb, is very pretty and the scene itself attracted applause, while the number as led by Miss Shattuck was vociferously

encored. Almost all the musical numbers, however, went exceedingly well and drew a great deal of applause, especially Miss Adler's "I'm Not That Kind of Girl," Barney Flynn's quadrille, with himself as the orchestra; Miss Adler's and Mr. LeRoy's "I've Got the Time and the Place, But Can't Find the Girl," Harry Devere's baritone solo, "Love's Sorrow," James Peck's and Miss

Adler's telephone song and the quartet and octet numbers. The octet was composed of Messrs. Flynn, Devere, Peck and LeRoy, and Misses Howard, Melville, Adler and McKenzie; the quartet of the same men in the octet. On the whole, the production gives an evening of considerable enjoyment, with several more or less funny skits weaved in between the specialties, and a bit of a plot and a comedy mixup with Edward Flynn carrying off the honors, in the first act.

The show will run the rest of the week. The following principals, in addition to the chorus in a lot of new costumes, make up the cast: Edward Flynn, James Peck, Barney Flynn, Harry Devere, Charles LeRoy, Miss Annie Howard, Miss Fannie Adler, Miss Lillian Shattuck.

Mr. LeRoy is the producer and not only puts on the show and rehearses the principals, but also handles the rehearsals of the chorus—which makes a mighty busy actor around the Airdome, since he also takes a part in the production as well.

MORE FUN AT THE PARK.

The management of the Electric Park Amusement company has just completed a new amusement device called the seventh degree. For startling stunts it has the shrimers skinned a mile, they say. Every degree is said to be a hummer; two of the degrees are in view of the general public. The mysteries of the other five are known only to the candidates. Both women and men are eligible to all seven degrees. People with weak nerves or fat people are not advised to take the degrees.

CRYSTAL HAS MARINE PICTURE.
The Kalem company's feature marine film, "The Castaways," will be shown at the Crystal, "the house cozy," to night. It tells an unusual story and has pictures taken on shipboard, a storm at sea, a wreck and life on a tropical isle. Two other pictures complete the bill. Roosevelt's New York reception will be shown Friday.

FILM 'd' ART AT WIGWAM.
"Two Portraits," a pathe film d'art, will be exhibited for the first time tonight at the Wigwam. A film d'art is a picture in which a specially selected cast of noted French actors appear. Three other pictures, including two funny comedies, will be shown.

Pope and territorial secretary Nathan Jaffa has determined the proportion of the 100 delegates each of the 25 counties of New Mexico will send to the constitutional convention. Governor Mills will issue a proclamation today designating September 6 as the date for the election of delegates. The constitutional convention will convene four weeks after the election.

The delegates were apportioned as follows: Bernalillo eight, Chaves four, Colfax six, Curry two, Dona Ana four, Eddy two, Grant four, Guadalupe four, Lincoln three, Luna one, McKinley one, Mora five, Otero three, Quay five, Rio Arriba six, Roosevelt three, Sandoval two, San Juan two, San Miguel nine, Santa Fe five, Sierra two, Socorro five, Taos four, Torrance three, Union four, Valencia three.

Governor Mills will call the election for Tuesday, Sept. 6. This will throw the convening of the constitutional convention on Oct. 3.

Territorial secretary Nathan Jaffa has sent to every one of the 46 states of the union for copies of the constitutions for use by the New Mexico constitutional convention. The capitol custodian board has given rush orders for the completion of the annex to the capitol now under construction so that the additional room may be used by the convention when it meets in October.

It had been hoped to hold the convention earlier but the election law prescribes that the registration boards must be appointed by the respective boards of county commissioners, and that the election must be held until 60 days thereafter.

INDIAN BOUND OVER IN MURDER TRIAL

Hearing Is Held in Case in Which Richard Wetherill Was Killed.

Farmington, N. M., June 28.—In justice Faye's court an examining trial was held in the case of the killing of Richard Wetherill at his trading post, 60 miles south of here five days ago by Indians. The city opera house was used to accommodate the interested crowd.

The Indian, Ches Chellen Be Gah, alleged to have killed Wetherill, was bound over without bond, charged with murder.

Will Finn, who accompanied Wetherill, pleaded guilty to assault upon another Indian at the time and was fined \$100.

The charge of assault with a deadly weapon against Finn will come up July 7th in Judge Faye's court. No race feeling prevails on either side. Indian agent Shelton, of Ship Rock, represented the Indians at the trial.

FAILED TO GET TO SEE THE KING OF SWEDEN

American Woman Wants to See Everybody, Including Former President Roosevelt, for the Affair.

New York, June 28.—A big bundle of papers purporting to be the complaint in a suit for one million dollars damages against Theodore Roosevelt, Robert Bacon, American ambassador to France, Charles Graves, American minister to Sweden, is in the county clerk's office here awaiting disposition.

The bundle was thrown into the office today by Mrs. Ida M. Van Clausen after the clerk's refusal to file them because of irregularities. The attempted suit is an outgrowth of the refusal of minister Graves to present Mrs. Von Clausen at the court of the late king Oscar of Sweden in 1907. The complaint begins:

"I hereby make formal demand of the supreme court of the United States to procure me an honest lawyer to plead for justice for me if the United States of America has laws capable

The Globe 3 Day Liquor Cure

A Scientific Treatment For the Drug and Liquor Habit

A STATEMENT OF FACTS. El Paso, Tex., March 18, 1910.

To Whom It May Concern: I have been a constant and very hard drinker for the past 25 years. When I was induced to take the Globe Three Day Liquor Cure, and it certainly has cured me, as now I have no desire for whisky, beer or any other alcoholic stimulants. I feel stronger both mentally and physically, in fact stronger than in the last 25 years. I have been one of the hardest drinkers in El Paso, which my friends can verify that know me. I cheerfully recommend the Globe Three Day Liquor Cure to any one who is addicted to the liquor habit and am sure that any one giving this wonderful cure a trial will attain the same results that I did. After the second day I had no desire for liquor, as before I would consume from two to four quarts of liquor a day. I had reached the lowest depths of degradation. I was arrested for drunkenness 30 times during the past six months. I was a human wreck and am thankful and grateful for my deliverance from the power of appetite.

Yours very truly, DR. D. J. REAGAN, El Paso, Texas.

This is one of many testimonials given us by grateful patients whom we have treated in El Paso.

to protect me; if not then the legislature must be appealed to.

Mrs. Von Clausen continues:
"I therefore file in the supreme court this complaint and institute a suit for slander, malice and revenge to recover \$1,000,000. The gross insult and slander I received in Sweden, of which the world has cognizance, is laid directly to the foregoing conspirators."

Mrs. Von Clausen says King Oscar gave her his photograph and invited her to visit him.

ABANDONED MILITARY RESERVATION FOR SALE.

Government Will Dispose of Camp Bowie in Cooke County, Arizona

—Established in 1870.

Tombstone, Ariz., June 28.—The military reservation of Camp Bowie, the site of the old Indian fort, 12 miles south of the station of Bowie, in Cochise county, is to be sold at auction by the government. F. C. Desendorf, chief of the sixth field division of the land office, has just completed an appraisal of the property. The reservation contains 21,338 acres. The land is to be auctioned off in the fall in much the same manner as the Parker lots were disposed of.

Some parts of the district are valuable grazing lands and adapted for dry farming. A good deal of mineral and there is one quarry which supplies the Arizona Marble company at Bowie. Much of the district has been grazed over by the cattle belonging to the Riggs and Schafer ranches. The southern portion of the tract, which is six miles square, is the head of the Sulphur Springs valley, which is entered through Apache pass, to guard which the old fort was built.

The reservation was established by executive order in 1870 and abandoned as a post in 1894. There is nothing left of the fort that witnessed many

Dandruff Means Baldness

Wise people say there is nothing sure in this world but death and taxes.

But that dandruff means baldness later on is just as sure as either death or taxes, and every physician knows it.

Dandruff is caused by a germ—a vicious, persistent, tenacious germ—that up to the discovery of one of the world's greatest scientists, was supposed to be unkillable. That discovery is called Parisian Sage, and Kelly & Pollard, the druggists, who are the agent in El Paso, guarantee it to kill every dandruff germ and remove all traces of dandruff in two weeks or money back.

But Parisian Sage is more than a dandruff killer; it is guaranteed to stop falling hair, itching of the scalp, and all diseases of the hair and scalp. It contains just enough of sage properly combined with other ingredients to make any woman's or man's hair grow luxuriantly. It makes everybody's harsh, lusterless hair change to soft, lustrous, and beautiful hair. Kelly & Pollard sell it at 50 cents a bottle, or you can get it direct from the American makers, The Groux Mfg. Co., Buffalo, N. Y., at the same price, by express, all charges prepaid. The girl with the Auburn hair is on every bottle.

stirring scenes in its time. There is, however, the lime kiln, the only building on the reservation, which was erected by the soldiers.
